My secret family:  
Ana made sure I knew I was fat--  
I am gonna be skinny.  
Olive kept me busy--  
Now I can be perfect.  
Max has made me aware--  
I won't lose myself anymore.  
Ed taught me new things--  
Cold baths burn calories.  
Now you see, cat and sam are a pair--  
They love to see me bleed.  
I always ignore Sue--  
I am not ready to die.  
Deb and Dan are the parents.
